Addendum to the Minutes of the Meeting of the Parish Council held Tuesday 9th April 2024

Prior to the commencement of the Meeting the Chair allowed a member of the public to address members on an item, which did not form part of the agenda.

The speaker firstly acknowledged the fact that the Danby Group Parish Council was one of the few Councils which had published a Biodiversity Policy and for its involvement / commitment to the Local Nature Recovery Strategy.

Secondly the speaker addressed members on the topic of grass cutting specifically on West Lane and Briar Hill, Danby with a request being made for a second cut to be delayed until autumn to allow for wildflowers to flower, provide pollination and to seed. An undertaking was also given that cut grass would be raked and collected by local residents.
